Building Fund Memorials and Honoraria Naming Opportunities

Dear Friend,

When Jesus said “Upon this rock I will build my Church” he was not referring to concrete, bricks, and mortar, but to faith. But our Christian life consists, still, in concrete acts of faith, not in ideas and devout feelings only. For our donors, St. George's building project is an act of faith. The rooms, furnishings, fixtures and decorative pieces on the following pages will be added to dedicated spaces and objects that come with us from our current church. All together, the complex will be a visible sign of our Christian partnership with our communities, the Diocese of West Tennessee, and the Church universal.

The building's purpose is to be a center for ministry for the mission of Christ to the world. It will complete itself again and again as it becomes a place, a sacred space, where all are welcome to celebrate the divine presence, discover the depth of Christ's love, and serve with gladness in response to his call. It is a unique opportunity to be part of such an historic undertaking. In our time and through the Spirit's action in our lives, we are building upon the faith of saints who have gone before.

We invite you to consider the appointments listed on the following pages as memorials or honoraria. These are visible building blocks of a temple where God's praises will be heard, the good news preached, and people's needs met. With the foundation of faith underlying them, they are signs of our response to the good news of the Gospel of Jesus Christ — that God makes his home among his people. Take up the challenge of being yourself a part of this new building, either by subscribing to one of the opportunities within, or by making a pledge to the project on the form within.

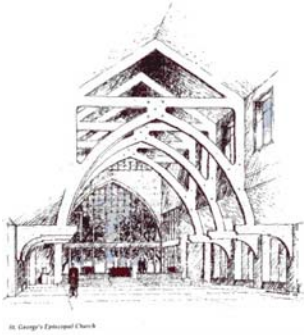

*Come to him, to that living stone ...
and like living stones
be yourselves built into
a spiritual house.*

1 Peter 2:4,5

In his Peace,

Gary +

The Rev'd Gary K. Sturni, D.Min.
Rector
